FUNDED AND SELF FUNDED STUDENTS

1. Payment Terms

The College relies on student fees to meet its financial commitments. It is essential that you pay your fees promptly and in accordance with published details. The College reviews its fees and fees policy annually.

2. Payment

Your fees are payable to Bournemouth University.

The tuition fees are:-

£9,000 for funded students

£13,368 for self-funded (ELQ) students

When you complete your Bournemouth University online enrolment form you will be asked how you wish to pay your tuition fees.

2.1 Student getting UK Government funding

If you have applied to the Student Loans Company (www.slc.co.uk) or the EU Team for financial assistance to pay your tuition fees you must produce your copy of the relevant confirmation letter at Induction. Failure to produce the relevant documentation will result in the full termly fee becoming payable.

2.2 Students paying their own fees

For students paying their own fees this will be in accordance with Bournemouth University regulations. Please see the guidance on the Bournemouth University website.

http://www.bournemouth.ac.uk/futurestudents/undergraduate/funding/paying_your_tuition_fees.html

NB If you wish to pay by bank transfer this is only possible by paying in one instalment when you complete your online enrolment. You will need to quote your Bournemouth University student number. If you do not yet have a Bournemouth University student number please include the course name and year of entry e.g. MChiro Year 0.

If you wish to pay in instalments this is only possible by credit or debit card and the payments will be 34% when you complete your online enrolment, 33% on 9 January 2017 and 33% on 10 April 2017. Bournemouth University will not normally levy a transaction charge for payment of fees by debit or credit card. Please ensure you have sufficient funds in your account before each instalment date as Bournemouth University may apply an administration charge of £20.00 if you default on payment an instalment.

3. Withdrawals policy

Students who wish to withdraw or suspend their studies before completion must inform the College in writing (unless they have been withdrawn or suspended by the College). The liability for the total course fees is as follows:-

26 September 2016 – 31 December 2016 – 25% liability
1 January 2017 – 31 March 2017 – 50% liability
On or after 1 April 2017 – 100% liability

NB Except in exceptional circumstances the date of withdrawal or suspension is the date that the College receives notification of withdrawal or suspension from the course, not the date of last attendance.

For students who have taken a tuition fee loan from the Student Loans Company, the College will notify the Student Loans Company of the adjustment of the student's liability for tuition fees as a result of their withdrawal or suspension.
