

## **Access Polo Shirt**

Whilst on the Access to HE diploma at the AECC you will have the opportunity to observe chiropractic interns and exercise science students working within the AECC clinic. The clinic is a professional environment and we expect all students working and observing within it to dress in a professional manner.

Access course students must attend clinic observations wearing an AECC branded polo shirt. These polo shirts are royal blue in colour so that students can be easily identified within the clinic. You must wear your polo shirt at all times when observing in the clinic as well as adhering to the general rules for professional attire which can be found in the student handbook and will be explained at the start of the placement unit.

Polo shirts are £20 and can be ordered on line from:
