When students are considering applying for Sport, Exercise and Health Science courses they should be aware of the following:

- During practical classes students will be expected to practice testing, measuring physical performance and some body measurements and statistics such as weight. For some courses apply rehabilitation skills using other students in their year group as subjects, and to act as a subject for other students. These are mixed gender groups. If you wish to discuss any of the above, you contact our student services team confidentiality or the course leader.
- Students should discuss any concerns about this with us before making an application for the course or accepting an offer of a place. If the concerns relate to issues covered by the Equality Act 2010 (such as religion, disability, gender reassignment) we will be pleased to discuss with the student how reasonable adjustments can be made to enable them to study on the course; however the University College can only make adjustments where this will not interfere with the student's ability to demonstrate that they have met the learning outcomes for the course, and meet the requirements of relevant Professional Statutory and Regulatory Bodies (PSRBs). Please contact admissions@aecc.ac.uk
- Students will be expected to dress appropriately for practical classes and when representing the University College in the local community.
- Students are required to attend a minimum of 80% of all practical skills classes, tutorials and science laboratory sessions. We take registers of attendance at these classes and collate the results regularly.
- There are a number of items which students will be required or are recommended to purchase in order to get the maximum benefit from the course; see below under 'additional costs'.
- Students are responsible for making their own accommodation

arrangements while enrolled at the University College. The Student Services team can offer advice and assistance in finding private rented accommodation in the area.

Additional costs

Additional costs are mandatory or optional costs which students will need to meet in order to fully participate in and complete their course. Students will need to budget for these costs separately as they are not included in the overall Tuition Fee they are charged.

Essential

- Purchase a practical kit (approximate cost £20 - £150 depending on the kit option which is chosen).
- Students on the BSc Sport Rehabilitation and MSc Sport, Rehabilitation and Therapy course must complete a recognised advanced trauma care qualification to be eligible for BASRaT registration (approximate cost £350)
- In accordance with BASRaT regulations, students enrolled in the BSc and MSc Sport Rehabilitation and Therapy courses are required to successfully complete a total of 400 hours of placement experience. It is important to note that students are responsible for funding their own transport costs to and from the placement sites. While the program maintains some established links to placement opportunities within the vicinity, students may be required to actively seek and secure placements on their own. This may necessitate the pursuit of placement opportunities locally, or even at their place of residence, allowing students to find a suitable placement site that aligns with their geographical preferences.
- Enhanced Disclosure and Barring Service check may be required to fulfil placement hours (BSc Sport Rehabilitation and MSc Sport, Rehabilitation and Therapy course), you will complete an enhanced criminal record check through the Disclosure and Barring Services. This needs to be paid for by you. If you suspend your studies for a year or more, you will also have to pay for a new criminal records check. Occasionally placement providers request an additional check if the certificate is more than one year old. If this is the case, you will need to pay for the additional check.
- Should a student fail any assessments and be offered an opportunity to repeat a unit or units there will be a fee payable as set out below (fees quoted at 2023-24 prices): *

- Home students: £1,540 per unit (20 credits)
- EU/Overseas students: £2,500 per unit (20 credits)

* Fees If a student is only sitting elements of unit due to exceptional personal circumstances, accepted by the Assessment Board, this is not considered a Repeat Unit and fees do not apply. This may impact maintenance loans from the Student Loan Company and students are advised to contact the Student Finance team on studentfinance@aecc.ac.uk for further information.

Recommended

- It is recommended that students purchase a laptop, personal or tablet computer for their personal use, as this will enhance their learning by giving them immediate access to our Virtual Learning Environment (VLE).

Optional

- Teaching materials are made available in electronic format on the Virtual Learning Environment. If students wish to have a printed copy they may print these materials at their own cost.
- Core texts are available in the library but there are limited numbers and most students buy some but not necessarily all text books.
- We are unable to offer any storage facilities for personal belongings of students except for a limited number of lockers. Students can rent a locker from the AECC Students' Union (ASU) on payment of a single fee of £10.
- There may be other costs for activities that will enhance students' time here but are not directly related to their programme. For example, there is an annual fee (currently £70) to join our gym (gym membership is a requirement to join some ASU/University College sports societies). Some ASU-organised social events and activities through ASU Societies will be at an additional cost.
- On successful completion of the course students have the option to attend the graduation ceremony. Students choosing to attend must meet the cost of hiring academic dress for the ceremony; wearing of academic dress at the ceremony is compulsory. The academic dress is provided by an external company. In 2023 the hire cost was £38. There are no other charges to the graduate for the graduation ceremony. However, additional tickets for family members and friends are chargeable and you will be advised of the price when you are invited to graduation.

 - Transcript (per academic year): £10
 - Degree Certificate: £40
